ULTRATECH TO HOST ANALYST DAY 2007

SAN JOSE, CA – September 12, 2007—Ultratech, Inc. (NASDAQGM:UTEK), a leading supplier of lithography and laser-processing systems used to manufacture semiconductor devices, today announced that it will host its annual Analyst Day event in New York. The event is scheduled for Tuesday, September 18, 2007, to be held at Reuters America, LLC, 3 Times Square from 11:30 a.m. ET to 1:30 p.m. ET. Ultratech's Chairman and CEO Arthur W. Zafiropoulo and members of Ultratech's management team will deliver key presentations regarding Ultratech's business. Forward-looking and other material information may be discussed during the presentations.

Interested analysts may obtain more information on Ultratech's Analyst Day by visiting the company's website at www.ultratech.com or by contacting Laura Rebouché at: lrebouche@ultratech.com. Also, a real-time audio webcast of the presentations will be available on Ultratech's website.

About Ultratech: Ultratech, Inc. (NASDAQGM: UTEK) designs, manufactures and markets photolithography and laser processing equipment. Founded in 1979, Ultratech is a market leader in gold and solder bump lithography, in addition to being a pioneer of laser processing. Its advanced-packaging lithography systems deliver strong cost-of-ownership, repeatability and throughput advantages, and are used worldwide in the fabrication of semiconductors and FPDs. Ultratech's advanced laser processing technology enhances yields, while enabling a cost-effective transfer to 65-nm and below production, and is being integrated into the manufacturing lines of leading-edge semiconductor manufacturers. Ultratech's home page on the World Wide Web is located at: www.ultratech.com.
